

**Are you tired of the hassle
of calling different companies
for your heating,
cooling, refrigeration
and appliance service
and repairs?**

**We are the
solution for
all your service
and repair
needs.**

**Altemp Mechanical, Inc.
925 Osprey Blvd
Bayport, MN 55003**

**The solution for all your
heating, cooling,
refrigeration and appliance
service & repair needs**

One Call Does it All

One Call = One Technician That Can Do It All!

At **Altemp Mechanical**, we know time is money when your equipment is down. That is why you can trust Altemp to keep your business **productive, efficient and profitable**.

Our technicians receive **extensive, comprehensive training** along with continuing education to effectively repair all makes and models of:

- Air Conditioners
- Heaters
- Refrigeration Units
- Commercial Kitchen Appliances

Altemp technicians are skilled and cross-trained to fix anything from a deep fryer to an air conditioner with **one** technician on **one** call - *getting it right the first time*.

From preventive maintenance to emergency repairs, **Altemp Mechanical** is the only call you need.

The Altemp Preventive Maintenance Program

Our Preventive Maintenance Program provides the highest level of service for the commercial industry.

We'll customize a preventive maintenance program that fits your equipment and budget while making sure to meet OEM specifications. Scheduling planned maintenance services into your budget will result in better cost control, extend the life of your equipment, reduce energy cost and food waste. Regularly scheduled inspections include:

- condenser coil cleaning
- ice machine cleaning
- water filter replacement
- heating & air conditioning inspection
- filter & belt replacements
- calibrations and other repairs

Our inspection of your refrigeration equipment helps to keep it running at the **maximum efficiency** to ensure your food is always at the right temperature and your customers are always safe.

By using the Altemp Preventive Maintenance Program on your equipment you can save time, money, and avoid downtime by troubleshooting and correcting potential problems.

Our Warranty

Altemp Mechanical carries a **full one year labor warranty** compared to the 30-90 day warranty offered by our competitors.

Our Guarantee

We strive to fix your problem on the first visit. Our technicians complete and leave behind a written service report which will note any areas of concern and review all of the services performed.

However, if our service doesn't meet your expectations we will return to the task until you are completely satisfied at no additional charge to you.

Serving the Hospitality Industry

- 24 Hour Emergency Service
- Fast Response Time
